ERRATUM: Controlling the coupling properties of active ultrahigh-Q WGM microcavities from undercoupling to selective amplification

A. Rasoloniaina, V. Huet, T. K. N. Nguyễn, E. Le Cren, M. Mortier, L. Michely, Y. Dumeige & P. Féron

This Article contains errors in the numbering of two papers in the reference list. Reference 33 and 34 are incorrectly listed as 34 and 33, respectively. The correct numbering appears below:

33. Trebaol, S. *et al.* Artificial dispersion of active optical coupled resonator systems. *C. R. Phys. (Paris)* **10**, 964–979 (2009).

34. Cai, M., Painter, O. & Vahala, K. J. Observation of critical coupling in a fiber taper to a silica-microsphere whispering-gallery mode system. *Phys. Rev. Lett.* **10**, 74–77 (2000).
