Corrigendum: Dynamics of microdroplets over the surface of hot water

Takahiro Umeki, Masahiko Ohata, Hiizu Nakanishi & Masatoshi Ichikawa

Scientific Reports 5:8046; doi: 10.1038/srep08046; published online 27 January 2015; updated 15 July 2015

This Article contains typographical errors in Figure 4. In Figure 4a, the 'degree' symbols were omitted from the temperatures of the droplet radii. The x-axis 'Radius (m)' should also read 'Radius (μm)'. In Figure 4b, the x-axis 'Temperature (C)' and y-axis 'Average Radius (m)' should also read 'Temperature ($^{\circ}\text{C}$)' and 'Average Radius (μm)' respectively. The correct Figure 4 appears below as Figure 1.

Figure 1.
