## **Erratum:** An all-silicon single-photon source by unconventional photon blockade

Hugo Flayac, Dario Gerace & Vincenzo Savona

*Scientific Reports* 5:11223; doi: 10.1038/srep11223; published online 10 June 2015; updated on 05 August 2015

This Article contains an error in the caption of Figure 1.

“Under cw excitation ?”

should read:

“Unconventional photon blockade under cw excitation”
