Erratum: The reduction of surface plasmon losses in quasi-suspended graphene

Alexander M. Dubrovkin, Jin Tao, Xue Chao Yu, Nikolay I. Zheludev & Qi Jie Wang

Scientific Reports 5:9837; doi: 10.1038/srep09837; published online 06 May 2015; updated on 03 August 2015

In the Supplementary Information file originally published with this Article, the y-axis for Supplementary Figures 1d, 1f, 5b, 5c and 5d should read ' E_s (a.u.)'. These errors have been corrected in the Supplementary Information that now accompanies the Article.
