Erratum: Theory of Thomson scattering in inhomogeneous media

P. M. Kozlowski, B. J. B. Crowley, D. O. Gericke, S. P. Regan & G. Gregori

Scientific Reports 6:24283; doi: 10.1038/srep24283; published online 12 April 2016; updated 27 June 2016

This Article contains errors in the order of the References. The correct Reference list appears below.

In addition, there is a typographical error in the Introduction section,

“This limitation becomes particularly restrictive when considering the ultra-short x-ray pulses and near diffraction limited laser spot sizes of fourth generation light sources^{15,16}”.

should read:

“This limitation becomes particularly restrictive when considering the ultra-short x-ray pulses and near diffraction limited laser spot sizes of fourth generation light sources^{3,15}”.
