Erratum: Can native clonal moso bamboo encroach on adjacent natural forest without human intervention?

Shangbin Bai, Yixiang Wang, Richard T. Conant, Guomo Zhou, Yong Xu, Nan Wang, Feiyan Fang & Juan Chen

Scientific Reports 6:31504; doi: 10.1038/srep31504; published online 07 September 2016; updated on 01 December 2016

This Article contains an error in the Discussion section.

“Some actively strategies should be applied to decrease encroachment, such as digging a trench around bamboo stands or physically new shoots or culms each year”.

should read:

“Some active strategies should be applied to decrease encroachment, such as digging a trench around bamboo stands or physically removing new shoots or culms each year”.
