## **Erratum:** Using the virtual reality device Oculus Rift for neuropsychological assessment of visual processing capabilities

Rebecca M. Foerster, Christian H. Poth, Christian Behler, Mario Botsch & Werner X. Schneider

*Scientific Reports* 6:37016; doi: 10.1038/srep37016; published online 21 November 2016; updated 15 February 2017

The original version of this Article contained referencing errors, where multiple instances of reference 5 were incorrectly given as reference 1. The publishers regret introducing these errors during final typesetting.

This has now been corrected in the HTML and PDF versions of this Article.
