Erratum: The first complete genome sequences of the acI lineage, the most abundant freshwater *Actinobacteria*, obtained by whole-genome-amplification of dilution-to-extinction cultures

Ilnam Kang, Suhyun Kim, Md. Rashedul Islam & Jang-Cheon Cho

Scientific Reports 7:42252; doi: 10.1038/srep42252; published online 10 February 2017; updated on 26 May 2017

This Article contains errors. The title of Table 1 is incorrect, where:

‘Table 1: ECG and EGCG derivatives and their autophagic activation.’

should read:

‘Table 1. Overall features of four acI strains and their genomes.’

Additionally, the legend of Table 1:

‘Average coverage. Minimum and maximum coverages (per base resolution) are indicated within parentheses.’

should read:

‘*Average coverage. Minimum and maximum coverages (per base resolution) are indicated within parentheses.’
