In this Article, the legend of Figure 2 contains errors. The two instances of “TRPM2” should read “TRPV1”.

Figure 3 contains errors. Figure 3c was inadvertently duplicated from Figure 4c. Figure 3e is incorrect. The ‘control + ADPR + ACA’ column is missing in Figure 3f. The correct Figure 3 appears below as Figure 1.

Figure 4 contains errors. Figure 4d was inadvertently duplicated from Figure 4e. The correct Figure 4 appears below as Figure 2.
