Introducing *Vital* POSTAL CPD

Online *Vital* verifiable CPD has proved very popular since its launch and we would like to thank all of our loyal customers for subscribing.

Since the online launch we also decided to launch *Vital* verifiable CPD **through the post** as it became apparent that many DCP readers would prefer to return their CPD answers through the post.

Vital verifiable CPD through the post costs £12 per issue (or £6 per hour of CPD). **The extra cost compared to the online verifiable CPD is to cover the expense of processing your forms and sending your certificates through the post.**

To take part in *Vital* verifiable CPD through the post, please complete this form and return it with your payment to Vital CPD, BDJ Editorial, Nature Publishing Group, 4-6 Crinan Street, London, N1 9XW. **One form is required per person. The form can be photocopied.**
