**ANGELIC DEVILS RUN FOR CHARITY**

Eleven 'dental ladies' known as the 'Running Dental Devils' gathered in Finsbury Park, London on 7 July this year and raised over £600 for Cancer Research UK.

Laura Horton, Sylvie Sturrock and a number of other ladies working in the dental industry ran in a Race for Life event in 2010, but this year they chose a location that offered 5 km and 10 km distances. Five of this year's group ran 10 km and six ran 5 km.

'We had a fantastic day even though there was a major downpour before the race,' said Laura Horton. 'The sense of achievement and the mood among the team when we finished was fabulous. Achieving something as part of a group is much more rewarding than doing so alone.'

The Running Dental Devils were very grateful to Wil Watts, Events Manager at dental CPD training centre Seminars@thirtyeight, who waited in the mud and rain to look after the ladies' bags!

**DENTAL NURSES TO ZUMBA ON THE GOLDEN MILE**

This year's National Dental Nursing Conference will be held at the Blackpool Hilton on 24 November 2012. A new one day format is being trialled in response to a survey conducted by the British Association of Dental Nurses (BADN).

'Holding a one day conference allows us to keep the cost down,' said BADN President Nicola Doherty. 'This year, with generous sponsorship from the BDTA, the conference registration fee is less than £50 for BADN members, and offers four and a half hours of verifiable CPD.' A non-member price is also available.

The fee includes lunch, refreshments and pre-lunch Zumba.

On the evening before the conference, delegates are invited to join Nicola and other BADN Council members at an informal dinner at Harry Ramsden's fish and chip restaurant just below Blackpool Tower. [www.badn.org.uk/conference](http://www.badn.org.uk/conference)
