

Colour Charges Form – Nature Research Journal

COLOUR FIGURES

Nature Research Journals are committed to providing authors with the highest quality figures, and we use the latest techniques to achieve this reproduction. We therefore charge authors a fee of €760/ £660/ \$870 per figure for reproduction in full colour. Please note that we do not offer a colour online only option.

Waivers and discounts to colour charges for papers published under the subscription model are available when the corresponding author comes from a country classified by the World Bank as a low or lower-middle income economy as of July 2020, with a gross national product of less than 200 billion US dollars ([reference - World Bank 1st July 2020](#)). Requests from other authors for author colour waivers and discounts will be considered on a case-by-case basis, and may be granted in cases of financial need. All applications for discretionary author colour waivers should be made to the editorial office.

Authors will be charged in the currency that is most applicable to the corresponding author's address. (Please note that in EU countries VAT will be added if you are unable to provide us with your VAT details below.)

PLEASE COMPLETE AND SIGN THE SECTION BELOW. SUBMIT THIS FORM TO US ALONG WITH YOUR FINAL FILES, OR TO OUR EDITORIAL ASSISTANT BY EMAIL. IF YOU WOULD LIKE TO SPLIT THE PAYMENT BETWEEN AUTHORS, PLEASE PROVIDE ALL THE RELEVANT CONTACT DETAILS AND THE PERCENTAGE SPLIT FOR EACH CONTACT/AUTHOR.
